

HELP PROFESSOR LEARN YOU

Hi, I would like you to please answer the questions so that I have a little more to think about when I hear your name than your student number. Kindly indulge me even if you find this tiresome and/or childish. Of course you don't have to answer any of the questions, but I would like you to consider it. Thank you.

About you

1. How old are you? I am _____ years old.
2. Are you in a good mood right now? ☐ absolutely ☐ not really because: _____
3. What do you think of math generally? disgusting ☐—☐—☐—☐—☐ the best EVER
4. What do you think of calculus in particular? disgusting ☐—☐—☐—☐—☐ the best EVER
5. What kind of music do you like best? _____
6. Do you have a favorite book? ☐ No ☐ Yes, it's _____
7. What is something else you like to spend time on?
☐ Only sleeping ☐ Sleeping and also _____
☐ I don't sleep, but I like to _____
8. Will you be missing class because you're on any C of I squads?
☐ No ☐ Yes, these squads _____

Technology

9. In general, how much do you use social media? hardly any ☐—☐—☐—☐—☐ I sleeptweet
10. Which social media platforms do you use more than once a week? For example, Twitter, Instagram, Tumblr, Facebook, etc. Leave blank if none.

11. How interested are you in using social media to communicate about Calculus III?
not at all ☐—☐—☐—☐—☐ very interested
12. If you marked anything other than “not at all” for the previous question, list the social media platforms you'd prefer to use in connection with class, starting with your favorite and in descending order.

Other

13. I am a teacher. Teaching is my job. Is there anything you've always wanted to tell a teacher (about teaching), but never thought you could? Your honest answer might help me be better at my job.
